

Anti-bullying poster competition winner

We had a competition throughout the school to design a poster as part of our anti-bullying week. School councillors chose a winner from each class and the overall winner in the school was Imogen. She was given a new set of multi-coloured socks as a prize. (by Kian, Rory and Archie Yr 6)

The finalists chosen as a winner from each class were:

Year 6: Sophie, Orson, Esa,

Year 5: Zoe, Isla

Year 4: Isobel, Imogen

Year 3: Jonathon, Sophie, Niña

"I was happy when Mrs. Tibbs announced in the assembly that I was the winner. I received the socks as we had been encouraged to wear odd socks on Friday. I think the anti-bullying week is special because it can remind people to be respectful and kind to each other." (by Imogen 4SC)

Bugsy Malone Rehearsals

Just to give you prior notice that the after school rehearsals for our production of Bugsy Malone will begin from Monday 14th January 2019 running from 3.30 to 5pm. The children will be given one week's notice if they are required to attend.

Talking 'Communication'

Hopefully you will have seen the exciting news this week concerning our new school App. Launching in January it will revolutionise the way we communicate and help us to keep you up to date with all the news from HCJS more easily and speedily. I urge you to register and download the app ready for January.

As part of our overall aim of improving communications at all levels I'm writing to let you know about two other new innovations that that will be using from now on:

We have decided to phase out our use of Facebook and so I have set up a HCJS head teacher twitter account: [@HcjsHeadteacher](https://twitter.com/HcjsHeadteacher). It will be available to view from within both the new app and the school website and will (other than this newsletter) be my primary way of talking directly to you from now on.

I haven't tweeted much yet, (after all no one is following!) but I will be from Monday - Sports news will continue to be communicated through the [@HCJSsports](#) account , although I will probably re-tweet news from that account too. Please give both a follow.

Class Dojo

We are also pleased to say that our recent trial of 'ClassDojo' has been successful and we are expanding its use to the whole school - ClassDojo is a communication app for the classroom. It connects teachers, parents, and students; it will be an important way for us to share your child's achievements in class with you. ClassDojo has proved very popular with the pupils (and parents) of 5H who have been using it for some time. Look out for a letter explaining more about how to access this app and how it will be used.
